what?

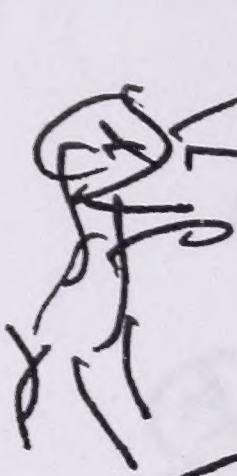

the essential
billionaire
on top of the
cheering crowd

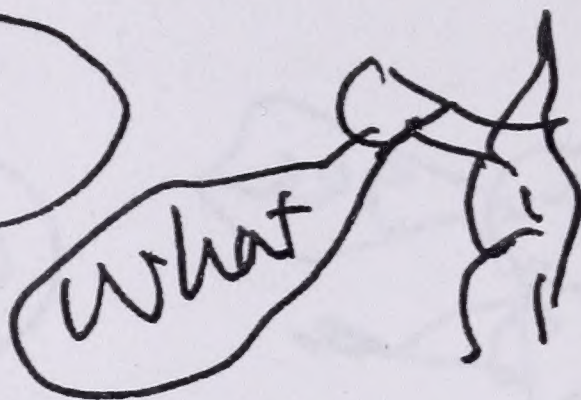

oh how
marvellous!

See!

What

he washes his feet + the
washwater gets
bottled & immediately
becomes a popular tonic

OK!!

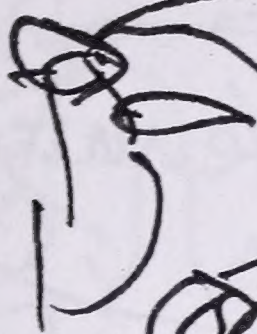

& the bottlers enjoy
superfine benefits for
the rest of their life

Life!

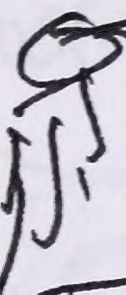

& the cheering crowd's
up + down movements
according to the
essential billionaire's
mood swings

yea,

make excellent
broadcasting material

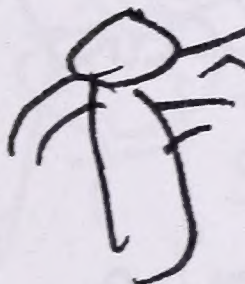

> should think so

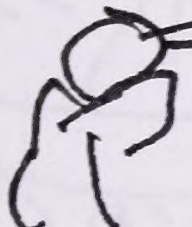

but

what?

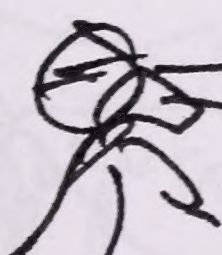

today the coffee
lacks its customary
bite

shit

& a famous artist
has to be shipped in
to alter the bad
vibrations

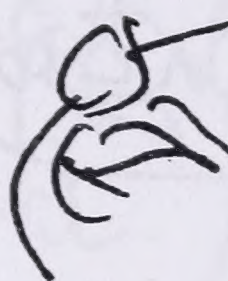

that's convenient

3

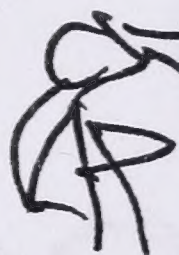

and

& that's a tenured position

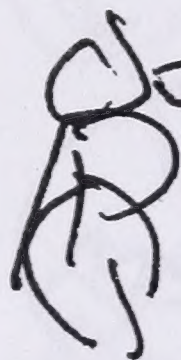

& what about the end of the world?

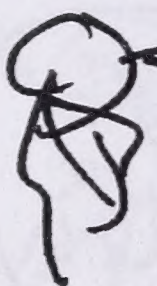

it's like this

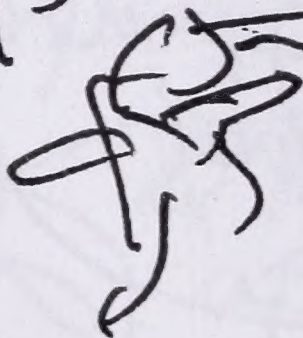

oh

since electricity can't provide adequate amounts of happiness any more

yes I see

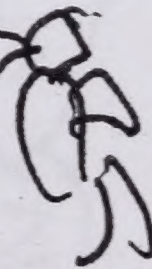

medical science works to change human satisfaction levels

Wan!

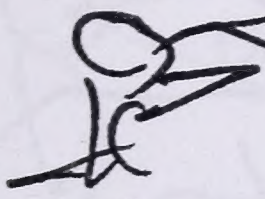

4

shut up

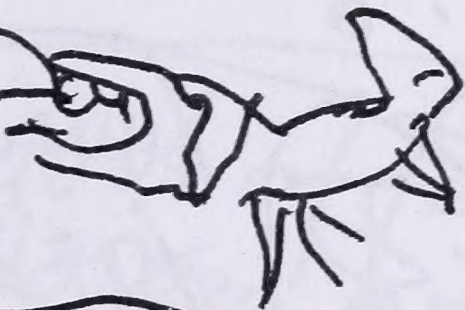

also: new types of coffee
can change unfavorable
perception of Unmanned
affairs

sure

you

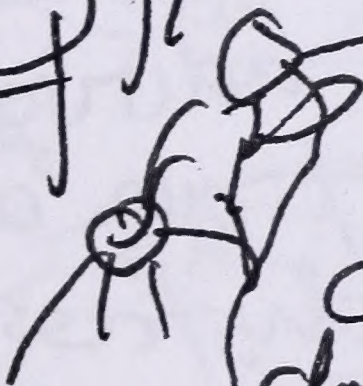

shut up

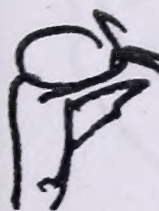

& you know
what

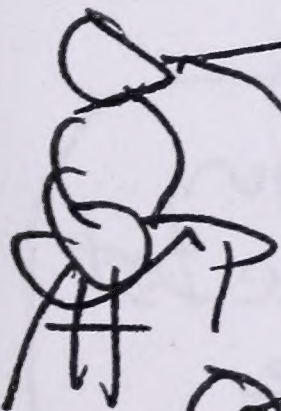

what?

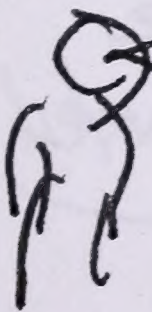

The old man
peeked through a
crack in his office
door

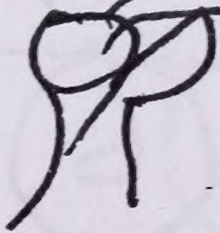

what did she see

he was angrily shaking
the white roses on his
desk

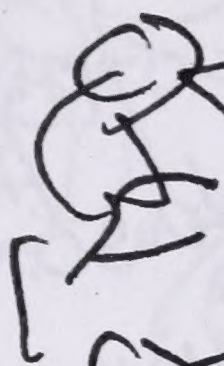

no!

she got scared

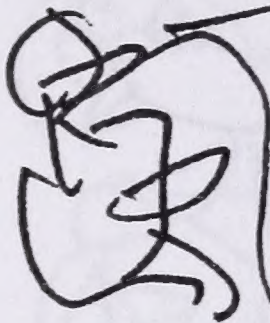

5

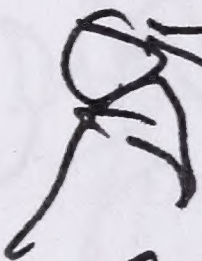

& went home
sabbir

& tomorrow?

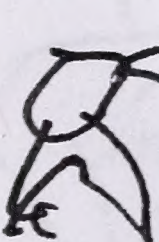

Tomorrow the planning
for the preparations
for his birthday will
begin

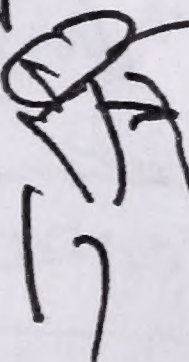

that's reasonable

the public is advised
to abstain from all
unnecessary distress &
rejoice in the prescribed
manner

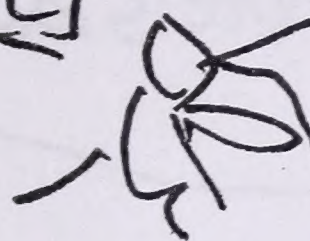

I know

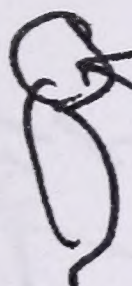

in the afternoon
small bills of the test
currency will be
randomly distributed

where?

at the central train station for maximum effect

and?

& instructors of formal ecstasy dances are renting all available industrial space

yea

Wan

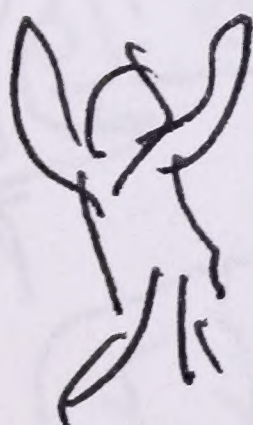

shut up!

RRR

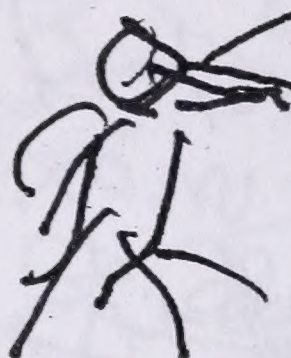

said shut up!

& said
RRRR

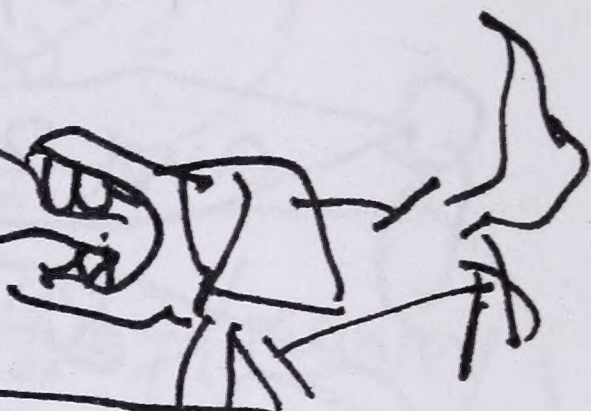

7

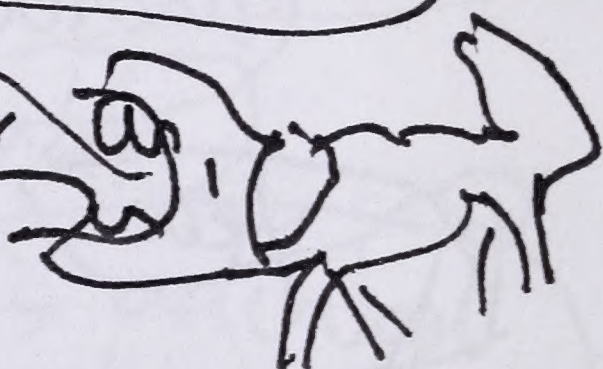

don't understand
RRRR

I'll teach
you

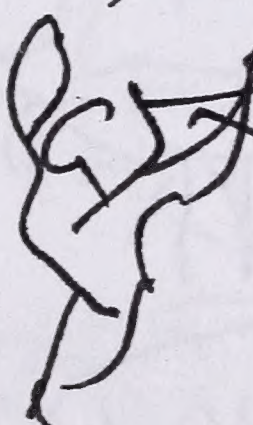

don't want
to know

Really

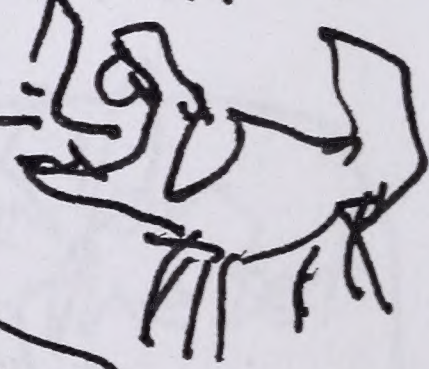

really

I'm hungry

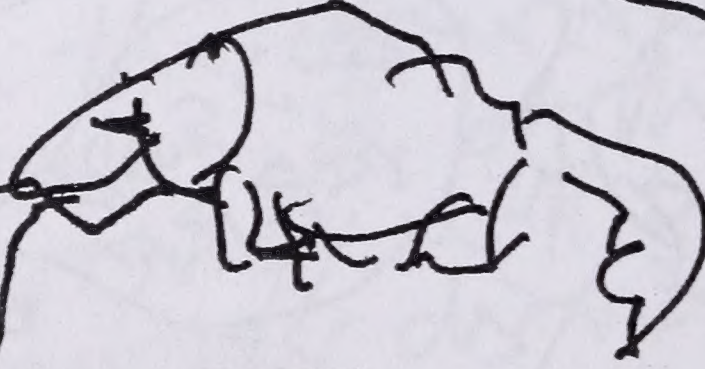

oh no!

oh yes!

very
fast

8
